New & Recommended At WRIR

Wildly original serio-comic Latin-lounge covers of Kraftwerk songs, originally released in 2000; must be heard to be believed. RIYL Kraftwerk, Esquivel, Richard Cheese.

Very Best, The - Esau Mwamwaya And Radioclit Are ... - Green Owl

Collaboration between a hip London production team and a Malawian singer results in a beautiful fusion across the world, RPM and rock categories. RIYL Extra Golden, MIA, Bonde Do Role.

Traore, Rokia - Tchamantche - Nonesuch

Superb new album from one of Africa's most distinctive contemporary artists, drawing in equal parts from African traditions and Western pop and jazz. RIYL Miriam Makeba, Cassandra Wilson, Camille.

Novalima - Coba Coba - Cumbancha

Funky Afro-Peruvian rhythms spiced with beats from contemporary electronica, a project that straddles world and RPM. RIYL Issa

Bagayogo, Gotan Project, Thievery Corporation.

"Rock 'n' Roma" from this gypsy band from Serbia: aggressive music laced with electronica, hip hop and punk influences. RIYL Gogol Bordello, Emir Kusturica & The No Smoking Orchestra.

Price Of Silence, The - (various artists) - Nacional

An all-star cast (Aterciopelados, Emmanuel Jal, Rachid Taha, Hugh Masakela, Yerba Buena, Chiwoniso, Natalie Merchant, more) make a song and video to benefit Amnesty International. A great song for a great cause.

Franco & Le TPOK Jazz - Francophonic - Sterns

The definitive compilation of the definitive Congolese (maybe even the definitive African) musician, covering 1953-1980. RIYL any African or Cuban popular music at all.

Long-lost 45s from one of the great bands of West Africa's "golden age" of the 1970's. RIYL Bembeya Jazz, Super Rail Band, Orchestra Baobab.
