Jah Cure - Mr. Jailer - SoBe Entertainment

Rising young reggae singer's rootsy and melodic version of French-Nigerian singer Asa's worldwide hit, from his forthcoming CD The Universal Cure. RIYL Asa, Black Uhuru, Luciano.

Fabulosos Cadillacs, Los - La Luz Del Ritmo - Nacional

Reunion album from Argentine band who helped pioneer the rock en Espanol movement, with fun covers of old hits and some good new material. RIYL The Specials, Manu Chao.

Extra Golden - Thank You Very Quickly - Thrill Jockey

Third album of Extra Golden's Kenyan-American fusion, and it rocks even harder than its two predecessors; very simply, this is one of the most unique and enjoyable bands in the world today. RIYL Congolese soukous and Kenyan benga, Television, Tortoise.

Alileche, Moh - In Memory Of A Hero - Flag Of Freedom Productions

Algerian Berber singer, now based in Berkeley, comes through with another strong CD of propulsive music that is in the tradition yet quite contemporary. RIYL Rachid Taha, Cheb I Sabbah.

Sootsayers - One More Reason - Red Earth

London-based band adds reggae rhythms and dub textures to their horn-driven Afrobeat/jazz sound, and quite successfully. RIYL The Superpowers, Adrian Sherwood's On-U Sound, Hotel X.

Luminescent Orchestrii - Neptune's Daughter - Nine Mile

A young string band from New York who combine Balkan melodies, high-lonesome harmonies and rock 'n' roll attitude. RIYL The Zydepunks, Taraf De Haidouks, DeVotchka.

Kokoura - Anitie - Kokoura

Dutch-based West African band with Brazilian and jazz-funk elements; one of the best neo-traditional West African bands I've heard lately. RIYL Habib Koite, Ba Cissoko, Issa Bagayogo.

Pacifico Colombiano - (various artists) - Otrabanda

Superbly curated compilation of music from Colombia's Pacific coast that's way off the radar of most world music fans; features

marimba, salsa-like combos, even rap. RIYL Andy Palacio, American salsa, champeta.

Toubab Krewe - Live At The Orange Peel - Upstream

Totally unique all-instrumental band from Asheville, NC that blends traditional Mali, Appalachia and rock 'n' roll, driven by outstanding guitar and ngoni playing. RIYL Tinariwen, Lobi Traore, Vampire Weekend.

Very Best, The - Esau Mwamwaya And Radioclit Are ... - Green Owl

Collaboration between a hip London production team and a Malawian singer results in a beautiful fusion across the world, RPM and rock categories. RIYL Extra Golden, MIA, Bonde Do Role.

Superb new album from one of Africa's most distinctive contemporary artists, drawing in equal parts from African traditions and Western pop and jazz. RIYL Miriam Makeba, Cassandra Wilson, Camille.

Novalima - Coba Coba - Cumbancha

Funky Afro-Peruvian rhythms spiced with beats from contemporary electronica, a project that straddles world and RPM. RIYL Issa Bagayogo, Gotan Project, Thievery Corporation.
