

Playlist –WorldWaves- Radio Upper Galilee 105.3 FM- Israel 8th January '07
Cold, Wintry & Wet here in Israel. We have been anticipating the onslaught of winter since November. Now it is finally here, everyone is relieved. Bundled up, but cheerful- it's what we've been praying for. The skiing season has opened on Mt.Hermon.
A program of French music this week- but barely two from France proper. Africa Canada, Haiti & Louisiana carry on the legacy of the French Empire.

Artist/ Title/ Album

Ismael Lô- Senegal/ L'Amour a Tous Les Droits /Daba-Wrasse Records

Rachid Taha /Agatha /Diwan 2- Wrasse Records
